FUTURE MEETINGS OF THE
EUROPEAN COUNCIL

You should be aware that in the course of her lunch with Dr. FitzGerald on Friday, the Prime Minister said that she was thinking seriously of proposing to her colleagues during the meeting of the European Council later this month, that in future there should be only two meetings of the Council each year. Dr. FitzGerald encouraged the Prime Minister in this intention and said that he would support her.

I am sending a copy of this letter to David Wright (Cabinet Office).
