Aug 82 Visit to Portugal

THE PRIME MINISTER

30 January 1984

Dear Prime Minister,

I was most grateful for the letter of invitation to visit Portugal which Dr. Jaime Gama gave to me when he came here last September. I am delighted to hear from our Ambassador that the dates of 17-19 April which I proposed are acceptable to you.

It will be a great pleasure for me to visit Portugal, a country with which we in the United Kingdom have had such a long and happy association as allies and friends. I am greatly looking forward to my visit.

Yours sincerely

Raymond Shaker

His Excellency Dr. Mario Soares
