

THE VICE PRESIDENT'S HOUSE
WASHINGTON, D.C. 20501

Flying home
Feb. 13 - 1984

Dear Margaret -

I am flying home
having just left Ireland. I
cannot go a mile further
without telling you and Dennis
that you gave us the thrill
of a life time. George and
I truly adored our visit to
Chequers. Forgetting business - George
will thank you for that - we

looked the house that date
back 900 years. We loved
the warmth and the beauty
of the house. We so enjoyed
the two marvelous meals.
George will not be happy
until I produce the dessert
at an hour.

I have shared the book
on cheques with several
Congressmen on the plane
and we all agree it is
lovely.

As for the walks and church,

WASHINGTON, D.C. 20501

They were another highlight
for me. Thank you for
sharing with us such a
perfect time.

The glorious Royal crown
Derby bowl will be proudly
displayed in our house.

I wish I could think
of something bad to say. I
can't. So many thanks -
affectionately - Barbara
