THE PRIME MINISTER

My dear Ambassador,

Very many thanks for a most enjoyable evening last night. It was a double pleasure to see you yesterday morning at the opening of the Cabinet War Rooms and again at Winfield House in the evening. It was a marvellous occasion with very stimulating company. And I have never seen a more lovely display of flowers.

Thank you too for the charming gift of a Churchill tankard which you so kindly purchased for me as the first customer at the War Rooms Shop.

With very best wishes and grateful thanks to you — and a special word of thanks to Carol who was a marvellous hostess.

Yours sincerely
Margaret Thatcher

His Excellency Mr. Charles H. Price II
