9 LONDON ECONOMIC SUMMIT: MESSAGE FROM MR HAWKE TO THE PRIME MINISTER

10 1. Please deliver the following message to Mr Hawke from the

11 Prime Minister in reply to his message about the Summit.

12 BEGINS:

13 Thank you for your message about the London Economic Summit.

14 It was useful to have this further expression of Australian

15 views as the Summit approaches.

16 Trade issues will certainly be at the core of our concerns at

17 the Summit. I doubt if the Summit ^{'s conclusions} will be as specific as your

18 own views in some areas. But I hope we can endorse completion

19 of the existing commitments ^{to} liberalisation, perhaps on an

20 accelerated timetable. I ^{also} hope that we shall ~~also~~ agree to

21 explore the openings for a new GATT round, with a possible

22 decision on it in 1985.

23 As you know I am making arrangements to send Sir Crispin

24 Tickell to Australia to brief you on the outcome of the Summit.

25 I want to be sure that you have a full account of the discussions.
