PRIME MINISTER'S

PERSONAL MESSAGE

SERIAL No. T.115/84

Dear Prime Minister,

I should like to thank you most warmly for your help and understanding at the European Council during the search for a solution to our budget problem at Fontainebleau, and particularly for your encouraging telephone call. I am very glad that we were able to settle it. I believe this will enable us to get on with the development of the Community in many important areas.

Warm regards

Yours sincerely

Raymond Barber

His Excellency Dr. Ruud F. M. Lubbers.
