PERSONAL MESSAGE

SERIAL No. T 1186/84

Dear Prime Minister,

In my letter of 15 May, I promised to let you know about my travel plans in September.

I am happy now to confirm that I shall be able to visit Singapore as I hoped. If it is convenient I could arrive on the evening of 19 September and leave in the evening of 21 September. This would allow plenty of time for some thorough discussions with you, which I should much enjoy.

I am greatly looking forward to my visit. Warm regards.

Yours sincerely

Raymond Shabten

The Honourable Lee Kuan Yew, C.H., G.C.M.G.
