Tuesday 17<sup>th</sup> July.

Speaker's House Westminster London SW1A 0AA

Box

Dear Margaret,

I feel I must send you a note to thank you for your statement this afternoon.

It prevented a major explosion & without a doubt your openness & courage defused & disarmed your critics. It was a most impressive demonstration of your command of the House & I do most warmly congratulate you.

I do hope that in the end you managed to get rid of the Garden Party!

With my grateful thanks.

Yours ever

Jack
