Prime Minister ①

This is extremely disturbing.
Mr Walker makes three serious
accusations against Mr
MacGregor

- (i) he has no clear objectives
for desultory and redundancies
over the next two years
- (ii) he is pursuing his own
vendetta against NACADS,
having been forced by his
own mismanagement to
concede too much to them
last October
- (iii) he has destroyed the old
NCB management without
putting anything in its
place other than a geronimo.

I will arrange a meeting
with Mr Walker and the Chancellor
as soon as possible to be
followed by a meeting with
Mr MacGregor

Thanks on this urgent AT 8/5
